

Sunnyvale Little League 2022 FALL Season Registration Guide

This guide is intended to help families navigate through Sunnyvale Little League's new online registration system. If you have any questions about the process, please contact our Registration Director at registration@sunnyvalelittleleague.com

Please note that we have tried to make this process as easy as possible, but you will see that the system we are using has some usability issues. Please also recognize that some information that is collected is required for either residence / school verification or volunteer background check. We are required by Little League Baseball Inc to collect this information.

Many of the images in this document refer to Spring Registration. These are for demonstration purposes. You will see references to "Fall Registration" in the actual registration system.

There are a couple of options presented in the registration flow:

- 1) **Section 1: Account Setup** - this will prompt you for information to setup an account on the registration system
- 2) **Section 2: Player Registration** - this allows families to register players who will be playing in our league
- 3) **Section 3: Volunteer Registration** - this allows families to register volunteers who will be volunteering for coaching, admin or umpiring roles

You may begin the registration process by following the instructions below:

Section 1: Account Setup

In order to register for the upcoming AND future SVLL seasons, you will need to create an account. **Please remember the email address and password you use to set up this account.**

***** If your child was registered in the spring, you may simply be required to login to your existing account.**

- 1) Begin the account setup process by visiting: <http://clubs.bluesombrero.com/sunnyvalell>
- 2) Click on the “Register” button in the upper right corner of the page:

- 3) Enter your email address, which will be used to login to your account:

A screenshot of the email registration form. At the top, it says 'sports connect powered by stack sports'. Below that, it says 'Sunnyvale Little League'. The main text reads: 'Welcome! Please enter your email address to get started.' There is an input field for 'Email Address' and a blue 'Continue' button. At the bottom, there are two small logos.

- 4) Enter a password:

A screenshot of the password registration form. At the top, it says 'sports connect powered by stack sports'. Below that, it says 'Sunnyvale Little League'. The main text reads: 'Let's get an account created for you. You'll be able to use this account across any Stack Sports products.' There are two input fields: 'Password' and 'Confirm Password'. Below them is a blue 'Continue' button. At the bottom, there are two small logos.

5) Go to your email and click on the “Verify Email” button in the email

6) By reaching this step, you have created an account on our system. Again, **please remember the email address and password you used to get to this point**, as you will use this account for all future registrations AND some team administration functions. In the next step(s), you will see a change password option. You do not need to change this from your original setup. Additionally, you will be prompted to add a second adult. You are not required to associate a second adult to this account.

Now you can begin the Player Registration process by clicking on the “Register My Players” button.
