

Dear Prospective Sunnyvale Little League Sponsor,

The 2026 Little League Season is on the horizon and Sunnyvale Little League (SVLL) is poised to offer more than 400 children from Sunnyvale, Cupertino, and Los Altos a chance to play baseball this spring. SVLL is a 501.3c non-profit volunteer organization led by families in the neighborhoods where you conduct business. As such, we are gathering sponsorship commitments from community-minded companies like yours.

While providing a marketing opportunity for your organization to hundreds of families, SVLL also allows you to play a major role in supporting youth sports in the South Bay. While players from our league come from within our league boundaries (<https://bit.ly/3eYTzdA>), our teams play against teams and leagues from all over the greater San Francisco Bay Area.

The support of our sponsors helps offset some of the operational costs required to run a youth sports league. Donations help with the cost of field and facilities rentals, uniforms, equipment, utilities and training costs.

As a sponsor, your organization plays a role in shaping the ideals of Little League Baseball, including teamwork, sportsmanship, and community.

Please consider joining the list of Sunnyvale Little League **official sponsors** and partner with us to help promote your business to our youth baseball community. The full list of benefits offered in one of three sponsorship packages is described in the attached page below.

If you have any questions about sponsorship opportunities, please contact me anytime via email at president@sunnyvalell.com or over the phone at **669-777-6630**.

On behalf of the entire Sunnyvale Little League community, we appreciate your generosity and look forward to your partnership as we kick off our 2025 Little League season!

Regards,
Mike Lee
President
